Club Activity Report

NOTE FROM THE GM

NICK VASIL, GENERAL MANAGER

As we reflect on 2024, it was great to see the return of so many familiar faces and cherished traditions at the Club. From formal gatherings to festive celebrations, and don't forget the week of activities celebrating the Club's 35th Anniversary, the South Carolina Yacht Club has truly thrived this past year. We've just wrapped up our December Holiday Parties, and the Club shined brighter than ever,

thanks to the collective effort of our incredible team and the members who shared with us their special events. Your continued support and engagement are what make this Club so special.

Looking ahead to 2025, we're excited to introduce new and enriching experiences across all aspects of Club life. Beyond our Food and Beverage offerings, we'll continue to grow activities in Tennis, Pickleball, and Sailing.

We're also thrilled to welcome new talent to the SCYC family. Janet Newman has brought exceptional organization and enthusiasm to the Pro Shop. Sweta Shervegar, a great addition to our sailing coaching staff, has already made waves with her dedication and expertise

On the culinary front, we're delighted to have Nick Fazio back as our Executive Chef, bringing unmatched creativity and excellence to our menus. Under Jo Anne Duarte's leadership, the Food and Beverage team has reached new heights in service and professionalism, embodying the Team spirit of our Club.

With these incredible individuals and new programs, we look forward to another remarkable year.

On behalf of everyone at the South Carolina Yacht Club, we wish you and your families a Happy New Year. Thank you for your ongoing support, and we look forward to seeing you around the Club as we continue to grow and celebrate together.

Nick Vasil,
General Manager

COMMODORE ERIC NORMAN

Happy New Year!

I hope that all of you have had a wonderful holiday season with family and friends. The club has been quite busy with holiday parties for many of our clubs and membership.

My family spent the holidays at home this year, which was a nice change of pace from traveling over the holiday season. It gave us a reason to get the old train set out and set up all our Christmas décor.

As my time as Commodore comes to an end, I have been reflecting on all the wonderful activities and people I have had the privilege of meeting over the years. I especially keep thinking about how amazing our junior sailing journey has been over the years. I cannot believe that my boys were sailing here 10 years ago and now Wyatt is about to graduate High School. I feel very privileged that Andrea and I have been able to raise our boys around the club. It is the friends that we have met here that make it so special.

We are all very fortunate to be welcoming Vanessa Coker as our next Commodore. I am looking forward to passing the torch to such a wonderful person. She will be bringing lots of great qualities and talents as she leads the club for the

next two years. I am looking forward to seeing what she has in store for us. She has been a pleasure to work with on the Executive Board.

I am happy that David Thurlow will be our new Vice Commodore. He has been a great board member and one of the best in the secretary position. David has been an integral part of the board.

Dan Anderson will be moving into the Secretary position. I am confident that he will continue to be a valuable member to the executive board. I appreciate the work he has done so far.

We will have to wait and see who will be stepping into the Fleet Captain position, I assure you all they will be a worthy and welcomed addition.

27th Annual Harbour Stroll: Saturday-Sunday, December 14-15, 2024

It was another fantastic weekend of Harbour Stroll!

Everyone had a great time admiring the decorated boats and houses. SCYC members enjoyed a delectable buffet dinner at the club. Santa arriving by boat was an event in itself! And live entertainment from Mike Carletta made the night more festive. The ever-popular refreshment station was a hit, as always.

We thank everyone who attended, decorated, participated, and volunteered. We would like to thank the Windmill Harbour Events Committee, headed by Susan Geller for organizing this very special event.

We also want to thank the following volunteers for manning the refreshment station & Santa's Station:

Junior Sailors Embrace the magic of winter sailing!

Winter offers a unique and exhilarating experience on the water. Enjoy crisp air, stunning scenery, and the tranquility of the off-season. Just ask our Junior Sailors and Coach Sweta! They haven't slowed down with traveling and competing and just overall having a great time together.

Adopt an Opti. Fundraiser

We need your help to prepare the boats for the 2025 sailing season! Your tax-deductible donation of \$600 to the Paul Miller Youth Sailing Fund (501(c)(3)) will ensure that all young sailors have access to a quality Optimist (Opti) to enhance their skills. When you adopt an Opti, your donation grants you the right to name the boat for the next two years and to become the adoptive “Captain”.

Your contribution will directly fund essential repairs, including fiberglass restoration, gel coat application, airbags replacement, safety equipment upgrades, and new lines. We currently have 22 Optis in need of adoption. Join us in making a lasting impact on the future of sailing!

TENNIS DIRECTOR

Between the Lines

by GREG MCDANIEL, TENNIS DIRECTOR

This is the time of year that everyone gets their game face on. We are heading into USTA season, and the level of competitive play is amped up a notch. The season kicks off with months of activity, scrambling with planning and pairings. Who plays whom? Home or away? Refreshments or no refreshments?

Social tennis and pickleball are equally active since more members are back from their summer homes and travel. Time to reconnect with your friends on a casual and comfortable level.

What do you need to tailor your game for the upcoming season? Participate in a clinic or drills so that we may tweak your stroke or serve to be more effective when you need it most. Improve targeting and alley shots. If you prefer, one on one may be better for you. We have a variety of options for you to improve your level of play both technically and strategically.

~Coach Greg

Sports Committee Report

by LORI CLARK, SPORTS COMMITTEE CHAIR

We all say it – “Where does the time go?” or “This year is flying by!” – I have always heard the older one gets the faster time flies. I have learned that this is true. I don’t think any other year flew by for my husband and I as fast as 2024 had. It was fast enough to make us take notice.

For those of you in the

LORI CLARK
SPORTS COMMITTEE CHAIR

same boat, now is the time to get out and live life; for those of you who are younger, please listen to what we are saying and take heed. This fleeting time is a REAL thing. I am here to tell you... it is real.

What is the moral to the story? We are facing a new year 2025. Find a happy medium. Get the projects done, but take the time to enjoy life, enjoy your family. Do you want to sail or go boating? Do you want to play tennis or pickleball? Do you want to spend time near the pool reading, ride your bicycle around the

Sports Center News

community, or jog perhaps? Do it. Don't put life off because the project is incomplete. There are rainy days and cooler weather when these things can be accomplished.

SCYC has opportunities to help you live life. Play some tennis/pickleball, sail or workout in the fitness center; try Pilates or Yoga – maybe the exercise class fits your needs. After, have lunch or dinner with friends in the club just a short walk away. Summer time, work up an appetite in the pool and grab a bite at the pool bar. The possibilities are endless.

Let's face it – "Life is what you make it" – that's another saying. I don't think *sayings* become sayings unless they ring true to a large degree. What do you think? Don't let life pass you by.

– Be well, Lori Clark

CRUISE FLEET COMMANDER

Happy New Year, Cruise Fleet Members!

“Out with the old and in with the new.” 2024 was an amazing year for the South Carolina Yacht Club Cruise Fleet. We had a whole host of trips, events, and speakers but you can count on 2025 being even better.

We welcome everyone back in 2025. We are looking forward to your return. It’s been a very active year and we have had great participation. Your board will be meeting in January to plan next year’s calendar. We have some great ideas for Boating trips and Land Cruiser events.

After many years of service, Steve Donovan and Jim Walters will be leaving the Board. I cannot say enough wonderful things about Steve and Jim. They have helped me tremendously in the past two years. Thank you, thank you, thank you. You will be greatly missed!

Thank you to all the Board Members who have made it possible: Chris Brigham, Chip Christiansen, Sue Collins, Rex Couch, Dena Donovan, Steve Donovan, Janet Drozdowski, Kirk Glenn, Jim Walters, Cindy Wuensch and Jack Wuensch.

A special thank you to our Vice Commander, Hal Wilson, who has made himself available for every phone call, email, and text I have sent him. He encouraged me throughout and was always there to help.

And I am deeply grateful to my husband, Rex, for his unwavering support. He has been my biggest advocate and has helped me immeasurably. We have had a great time together planning trips

and events for the Cruise Fleet and we will continue to do so.

I am stepping down as your Commander, but you have a new Commander for 2025 taking over that will be extraordinary, Dena Donovan! Not only is Dena my dear friend but she is the right person for the job. Dena has the leadership and communication skills necessary. She is highly organized and a great strategic planner, full of joy and exuberance and so much fun to be around! The Cruise Fleet will be in the best of hands. Please congratulate Dena when you see her.

I am honored to have been chosen to be the Commander of our amazing Cruise Fleet. Thank you to all our Cruise Fleet family for your encouragement and support. I am not saying goodbye as I will continue next year as Vice Commander to help Dena in any way I can, just as Hal Wilson has helped me these past two years. See you at our first meeting February 6th!
